

# 2009 Bioplastics Awards

Organised by:

**European Plastics**  
NEWS

Media partner:

**bioplastics**  
MAGAZINE.COM

The 4th Bioplastics Awards will recognise innovation, success and achievement by manufacturers, processors and users of bioplastic materials. This form can be used to enter your company or product in an individual category. To be eligible for consideration in the awards your company or product entry must have been developed or on the market in 2008 or 2009.

**Please complete one form for each category you are entering.**

Completed entry forms must be returned to [bioplasticsawards@crain.com](mailto:bioplasticsawards@crain.com) by the closing date of Friday 18 September 2009 to be eligible for inclusion. A shortlist of entries will be published in November.

Winners will be announced in December 2009 and published in the January edition of *European Plastics News*.

Selection of the winner in each category will be made by a panel of independent judges assembled by *EPN*.

**The decision of the judging panel is final and binding.**

## THE CATEGORIES AND JUDGING CRITERIA:

### Best Innovation in Bioplastics

Open to any innovation in the field of bioplastics. Entries will be judged on innovation, novelty and potential benefit to the bioplastics industry.

### Best Bioplastics Processor

Open to any company processing bioplastics. Entries will be judged on product quality, innovation, marketing effort and customer service.

### Best Bioplastics Application – Packaging

Open to any packaging application. May be entered by any company involved in the development of the application. Entries will be judged on innovation, market impact, customer response and sustainability.

### Best Bioplastics Application – Non-Packaging

Open to any non-packaging application. May be entered by any company involved in the development of the application. Entries will be judged on innovation, market impact, customer response and sustainability.

### Best Bioplastics Marketing Initiative

Open to material producers, processors, packaging companies, brand owners or retailers. Entries will be judged on impact, message, focus and effectiveness.

### Bioplastics Retailer/Brand Owner of the Year

Open to any retailer or brand owner. Entries will be judged on enthusiasm, profile, market support and impact.

### Personal Contribution to the Bioplastics Industry

This category will be managed and judged by the *European Plastics News* team alone. However, you can nominate a worthy recipient.
